Applications at [whea.info](http://whea.info)

Phone: 327-4751 Fax: 327-4750

## Insurance

All students must have health coverage insurance.

## Discipline Policy

Due to the abbreviated nature of the course, it is important for students to focus on their academic program. Students who commit serious offenses as outlined in chapter 19 will be dismissed. Students who display disruptive and inappropriate behaviour will be warned once and then dismissed on the next offense. No refunds for dismissed students.

## Attendance Policy

More than 1 absence may result in failure of the course if taken for credit. Students arriving after 8:30 and before 8:45 are counted tardy. 3 tardies are equal to an absence. After 8:45 students are counted absent, however encouraged to attend class for the full benefit.

## Program Fee

Cost for each program includes transportation and any field trip fees. All transportation is provided by WHEA. No refunds will be given after the 1st day of class.

## Meals

Students are responsible for meals and any spending money they opt to bring on field trips. Refrigerators and microwaves are available on campus for lunch storage.

A soda machine is available on campus.

## Time

Class begins at 8:30 and ends at 2:30 unless noted by the teacher, for field trip purposes.

## Bring

Sunscreen

Water Bottle

Lunch and Snacks

Comfortable Clothes— Shorts and T-Shirts

Comfortable Shoes— Closed Toed Shoes

## Summer Science Camp

**Highlights of the program:** WHEA offers "hands on" education, this course is great way to experience all that a WHEA life has to offer. The course will cover the different environments of the Big Island and environmental issues through various field trips and activities. There will be one required **overnight educational field trip**

scheduled during our program. There will be several day trips to local sites of interest. Transportation for these field trips will be provided by WHEA.

The program offers a **one semester Environmental Science** credit (0.5) that may be applied towards graduation requirements in science or as an elective credit if all science credits have been fulfilled.

All Courses Available For Credit Or Enrichment  
6th Graders Must Take The Course For Enrichment Only  
WHEA 7th & 8th Students May Be Eligible To Receive  
High School Credit Upon Approval Only.

Location: WHEA campus

Dates: July 8 – July 16, 2010

Time: 8:30-2:30

Cost: \$190.00

Incoming Grades: 6-12th grade

Credit: 0.5 Environmental Science

## Au Plein Air Art (on location)

**Highlights of the program:**

This hands on Art experience is an adventure. Students are treated to art excursions each day. Students will go on location (au plein air); and experience drawing and painting in the open air. At the end of each day students will leave with drawings and paintings reflecting their

Hawaiian locale. Transportation for these field trips will be provided by WHEA.

The program offers a **one semester Basic Art** credit (0.5) that may be applied towards graduation requirements as an elective credit.
